

Altar servers roster 5 December 2021 to 30th January 2022

- ** We are very short of altar servers at present due Covid enforced changes, and because some of our volunteers are moving on.
- ** During the January holidays, only 2 children are rostered each time, to ensure they all get a break.
- ** When at mass, children may volunteer to fill the gap if they wish, but please don't take other children's spots unless you have arranged a swap.
- ** Recruitment of new servers will occur at the start of the school year.
